ANGELS AMONG US

About the Tyler Neville Foundation

ANGELS AMONG US

Who We Are

The Tyler Neville Foundation (TNF) was founded in 2021 as a community-based, nonprofit organization dedicated to improving the quality of life for children during cancer treatment. We are headquartered in Williamsburg VA, with the goal of expanding throughout the country to offer community support in every region of the United States.

Our Mission

To provide resources and support during treatment to help children with cancer enjoy the wonder and excitement of their youth.

Our Vision

To facilitate community support in bringing smiles, joy and hope to children in cancer treatment.

What we do

The Tyler Neville Foundation improves the quality of life for children in cancer treatment. Children should be children. Too often cancer takes the joy out of life for kids in treatment, so *we give them back the best parts of childhood*. What a child wants and needs doesn't change just because they are diagnosed with cancer. While doctors treat the cancer, and families manage the effects, *we add in the smiles, joy and hope*. We believe no **childhood** should be left behind. The Tyler Neville Foundation provides resources and support during treatment to help children with cancer enjoy the wonder and excitement of childhood.

Our Angel Family

Athletes Against Lymphoma

Founded in 2021, **Athletes Against Lymphoma** is the first subset of the Tyler Neville Foundation. Our mission is to give athletes a platform to support local children fighting cancer. Tyler was diagnosed with Hodgkin's Lymphoma when he was a freshman in high school. He was in cancer treatment throughout his first Varsity Basketball season. The support of Tyler's teammates, coaches, classmates, and the Williamsburg community gave him the strength to go from chemotherapy to practice, everyday!

Lymphoma accounts for 20% of new cancer diagnoses in adolescents.

Athletes Against Lymphoma hosts athletic-based fundraisers for children in cancer treatment.

Get Involved!

Donate

Your donation brings joyful resources and support to children currently in cancer treatment in your community.

Membership –\$10/month. You'll be the first to know of upcoming events! Enjoy early bird registration for athletic events.

One time donation – Your tax-free donation provides special resources and support during treatment to help children with cancer enjoy the wonder and excitement of childhood.

Volunteer

Community volunteers work to keep Foundation costs low so we can bring more joy to the children. We always welcome new volunteers and have a variety of roles that are both enjoyable and rewarding. We are grateful for any amount of time or resources offered.

Corporate Sponsorship

Corporate Sponsorship is a necessary revenue source for the Foundation. Companies may choose to be an official sponsor of the organization or to be associated with a specific project or program.
